

## CHAPTER ONE

---

# Introducing the California Nitrogen Assessment

## Appendix 1.1 Who was involved in the California Nitrogen Assessment?

*Lead Authors:*

K. THOMAS, D. LIPTZIN, AND T.P. TOMICH

*Contributing Authors:*

M. COLEY, R. DAHLGREN, B. HOULTON, K. SCOW, A. WHITE

This is an appendix to Chapter 1 of *The California Nitrogen Assessment: Challenges and Solutions for People, Agriculture, and the Environment*. Additional information about the California Nitrogen Assessment (CNA) and appendices for other chapters are available at the Agricultural Sustainability Institute website: [asi.ucdavis.edu/nitrogen](http://asi.ucdavis.edu/nitrogen)
