Walk through  
the CORN TUNNEL  
to reach your  
numbered row!

WASH  
Rouge Vif (Cendrillon)  
Marne di Chagall  
Turban Squash

FOGGY RIVER FARM

# FOGGY RIVER FARM

# Lessons to take from pandemic model

- Scheduling customers can have benefits.
- Online ordering can be a big plus.
- Health precautions reinforce food-safety protocols.
- More structured space and flow can be good for business.
- This has been an opportunity to engage people who were not already tuned into the local farm scene.
