

A close-up photograph of several purple flowers, likely crocuses, with water droplets on their petals and stems. The flowers are in various stages of bloom, with some showing bright red stamens. The background is a dense field of similar flowers, creating a rich purple and white color palette.

Peace and Plenty Farm

Kelseyville, CA

- 7 acre farm
 - ½ acre market garden that supplies our thriving farmstand
 - 2 hoop house for season extension and salad mix
 - NRCS grants for both

Our Farmstand

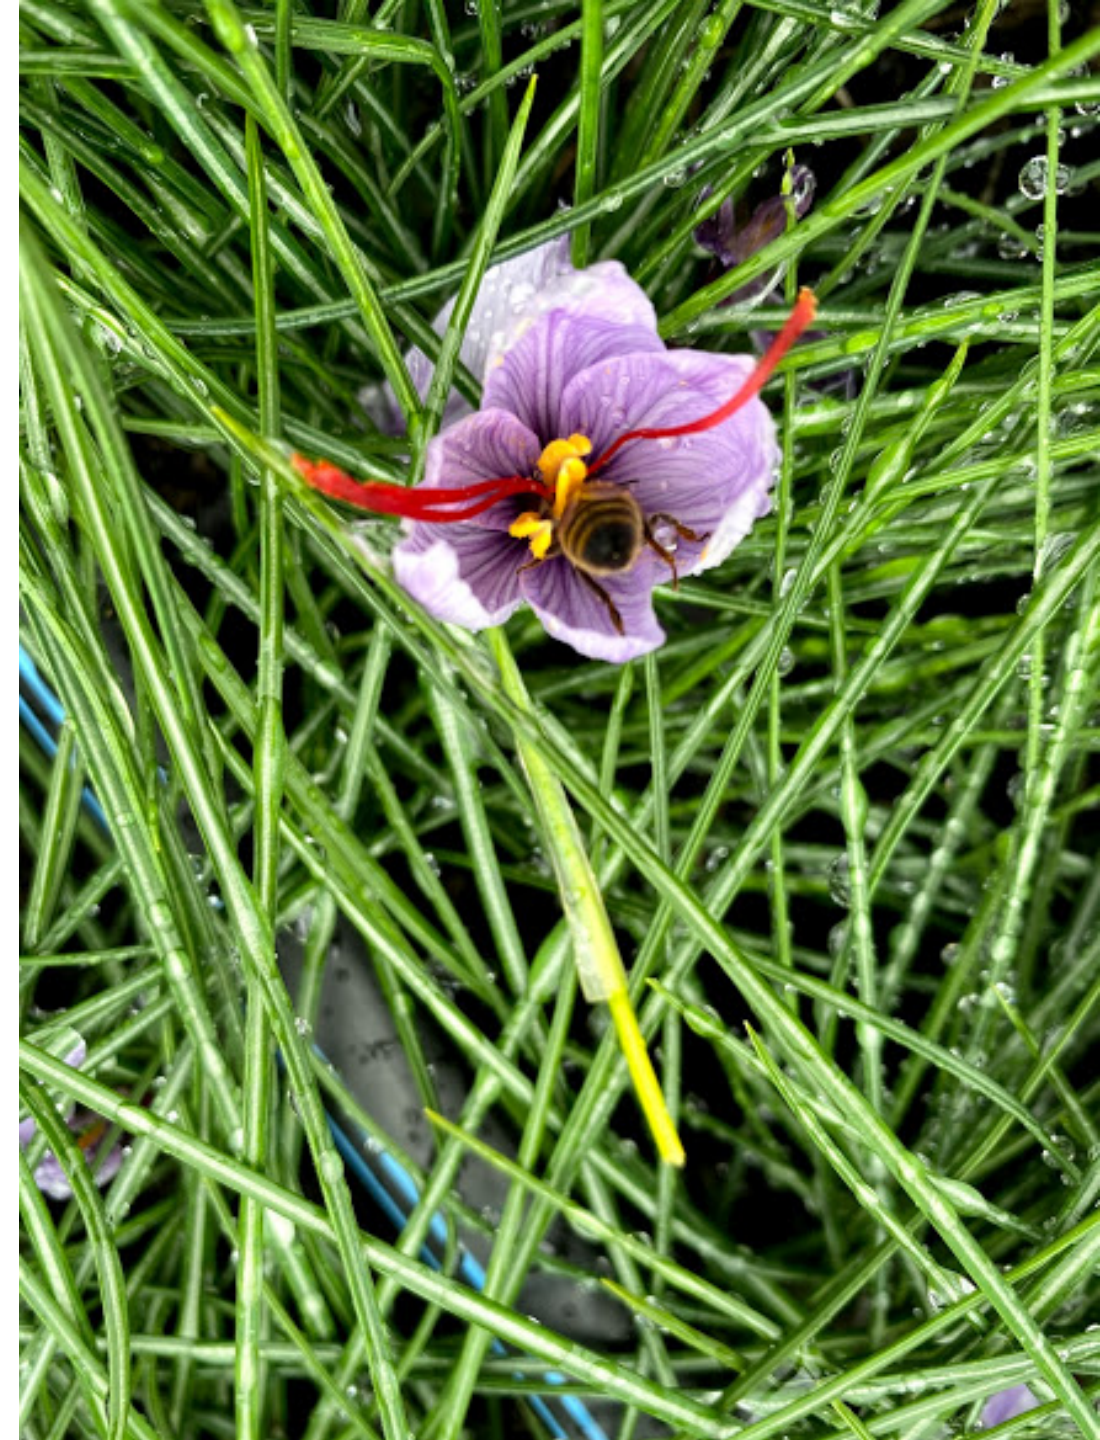

We grow saffron!

We are the largest growers of saffron in North America

- In 2020, we picked over half a million flowers = 2 kilos dried saffron
- We had a dedicated team of 11 Wwoofers who helped harvest

Why One California Couple Started Growing Organic Saffron—Plus, Their Favorite Recipes That Let the Famed Spice Shine

By Kevin West | September 30, 2020

marthastewart tagged you in a post. 17m

marthastewart mentioned you in a post: Husband-and-wife duo Melinda Price and Simon Avery of [@peaceandplentyfarmer](#), the largest organic commercial growers of saffron in the country, incorporate the

ENTERTAINING | FOOD & DRINK

Savory Water and Celery Juice—This Chef's Morning Is Built Around Joy and Gut Health

Camille Becerra's blissful routine.

We also grow lavender, have a remnant walnut orchard, a newly planted fruit orchard, a cut flower and herb garden and we have a flock of 63 laying hens

Farmstays

- We have a studio cottage and a vintage Airstream, both booked thru AIRBNB
 - Occupancy rates are high
 - All weekends thru winter and spring
 - 80% occupancy in peak months
 - Bookings up to 5 months in advance

Guests often ask to help with farm work

We also host events at the farm including:

Farm-to-Table Dinners
