

Orchard-livestock integration

Webinar hosted by UCANR and SAREP

Come listen to a panel of producers and researchers discuss the opportunities and challenges in livestock integrated orchard systems in California, as well as current research projects. Share the space to voice your own questions, concerns, and ideas!

July 27, 2022
4:30-6:00 PM

Sign up today: <http://ucanr.edu/orchard-livestock>

Topics include:

- Food safety concerns with keeping animals in orchards
- Current research and findings on integrated system's health
- Producer practical experience
- Discussion panel

For more information, please contact UCANR crop-livestock integration intern, Paulina Binsfeld, at pjbinsfelddebus@ucdavis.edu.
